OK, so it never works out like you plan. I don't think I'll make too detailed of plans at this point. The reservations are made. I want to suggest that you all bring breakfast food and we'll combine. I'll bring plenty to assure we have enough. Same with lunch & condiments. I'll bring the big stuff for the three dinners. Makes it simple.

Income

Carryover	Last Year	-	\$100.00
Per Kid	\$5	-	45.00
Per Adult	\$8	-	144.00
TOTAL			\$289.00

So if you'll send me \$5/10 by June 1, we should be in the neighborhood. It will depend on who goes and the actual cost of food.

They would not make campsite assignments. It's first come-first serve. I'll be there as early as I can on Thursday to try to get three campsites together. Sorry no pets. Check in after 2 PM. Check out by Noon. Extra vehicles are \$5 per night and all vehicles are supposed to register at the Lodge Office. I'm going to count on them to be as confused as we are and as they were last time. Probably a good bet. Just find me in the campground. If they figure it out, we'll have to deal with it but they seem like they are still overwhelmed by the confusion and this is their busiest weekend of the season.

I'll try to get the same sites which are F8 or possible E-2 or F15 which also look like three by themselves. Otherwise, I'll try to get some sites in the same campground (DEF Area). Regardless of where we are, I will leave a note on the board going into Area DEF for you. Reservations are in my name if you wind up at the office.

I'll send out something around the first part of June to remind you what you might want to bring and give you more details.

Later Gators.
